

# INDIAN COPPER DEVELOPMENT CENTRE

invites you to the

**ICDC WEBINAR**

on

## "Advantages and Proper Use of MORGAN Crucible for Melting of Copper and Copper Alloys in Induction Furnace"

Date : 8<sup>th</sup> July, 2021

Time : 2.30 – 4.00 pm (IST)

**SPONSOR**

**Morganite Crucible India Ltd.**

### OBJECTIVE :

Producing quality melt is of utmost importance to manufacture any quality copper & copper alloy product subsequently. Usage of proper crucible in induction furnace plays a very important role in achieving good quality melt, along with

- Saving in energy
- Consistent output throughout the life of crucible
- Extremely well metallurgy
- Improved productivity

The OBJECTIVE of the Webinar is to listen to the domain experts of Morganite Crucible India Ltd. – one of the pioneers in this field and interact with them on selection, usage and technology upgradation in the field of crucibles for melting copper and copper alloys.

### TITLE OF PRESENTATION :

"Efficient Melting Solution for Induction Furnaces with MORGAN Crucibles"

### SPEAKERS :

- Mr. Gokul Ramanujam
- Mr. Ramdas Chitalkar

### HOW TO PARTICIPATE :

Interested participants need to confirm by returning the attached Registration Form by 6<sup>th</sup> July, 2021.

LINK for participation will be sent to the registered participants only.

### PARTICIPATION FEE :

- Representatives of ICDC Member Industries can join this Webinar without any participation fee. However, advance confirmation is required to get the LINK.
- Non-members need to pay Rs. 500/- + 18% GST per participant as Registration Fee.
- The payment can be made through bank transfer to the following Bank account :

Name of Bank : INDIAN BANK  
Address : 5-B, Russell Street, Kolkata – 700071  
Account Holder Name : INDIAN COPPER DEVELOPMENT CENTRE  
S. B. A/c. No. : 417875288  
IFSC Code : IDIB000R024

*(Please let us know your NEFT/UPI payment details after transfer)*

### For further information :
