

ICDC Copper Conference 2023

23rd February, 2023

Mumbai

Radisson Hotel, Mumbai Andheri MIDC

Organised by

INDIAN COPPER DEVELOPMENT CENTRE

Kolkata

www.indiancopper.org

The much awaited ICDC Copper Conference is back after a gap of two years due to Covid pandemic.

Invited experts will address during the Conference and participate in Q&A sessions (both on the dais and off the dais) with the participants from both primary and downstream copper & copper alloy product manufacturers, viz., conductor, rolled, extruded & drawn products from various parts of the country.

The presentations will focus on following broad areas, viz.,

- Future opportunities for copper in Indian and global scenario
- Environmental issues like air pollution & carbon emission control; zero discharge for water & liquid effluent; saving of water; etc.
- Technological developments to achieve better resource utilization leading to consistent quality, higher yield, improved process economics and better customer satisfaction : -
 - Melting crucible
 - Energy efficiency during melting
 - Continuous casting of copper wire rod and copper alloy rods/sections
 - Graphite dies for continuous casting
 - Lubricant for drawing
 - Spectroscope for quality assurance
 - Ultrasonic & eddy current testing

EXPERTS INVITED FOR PRESENTATIONS FROM

- Bhattar Associates, Mumbai
